

FINANCIAL ASSISTANCE- CAMPING PROGRAMS

Please fill out the following forms and keep in mind that Day Camp subsidies at the YMCA are for those individuals and families who are unable to afford the full amount. The attached income declaration form **must be completed** and approved to establish your costs. This form needs to be **filled out in full**, completely prior to attending a meeting. If this form is not filled out in full and proof of income and expense is not provided, subsidy will be delayed or will not be available. Your cooperation is imperative. Once the package has been dropped off and reviewed, staff will contact you to make an appointment. The guardian of child/children **MUST** attend the appointment.

- **Annual Family Income**

This section must be completed with a copy of your income tax “Notice of Assessment” for 2016, attached with a copy of all pay stubs from the previous month. If there are two incomes in the family, info must be submitted for both. Co-Applicant refers to spouse or common-law partners.

- **Allowed Deductions**

Please complete and attach current receipts confirming proof of any deductions that are not stated on your income tax return.

- **Number of Persons Living In Your Household**

Only list the number of dependents in your home (under the age of 18 years)

- **Proof of Income**

Please provide proof of all income such as employment, Child Tax Benefit, Universal Tax, Child Support, and any other sources.

- **Expenses**

Please be ready to provide proof of expenses that are not on this application form such as loans, phone, cable, rent, line of credit, etc. This will be an important factor in determining fair and appropriate subsidies. Please bring receipts or copies for these expenses.

If you qualify for subsidy through this application, please remember that you are still responsible for paying a minor portion. The Medicine Hat Family YMCA depends on volunteers and community support to offer such programs to our community, such as this subsidy. If you are interested in volunteering or offering your expertise to our programs, please let us know.

Once your application is reviewed our staff will connect with you and set up a meeting to determine an amount appropriate based on your need.

Sincerely,

YMCA Staff
